

HIT PARADE BLU DI CAMBIANO

Quite lovely two year old blue merle, as pretty as any picture, with an expression to die. She has the most lovely eyes, colour and shape quite lovely, ear placement is correct. She has the most feminine head patterns with muzzle, stop, back skull correct. Her head markings are lovely. She has the correct fitting blue merle coat. Lovely top line reach of neck and croup, tail and carriage are lovely, legs and feet movement very sound. Was very pleased to see her put on a good performance in the pastoral group under best in show judge when he placed her BOG4 in one of the strongest pastoral groups I have seen for some time. CC and BOB

Peter Bailey - Builth Wells – 18 aprile 2009

Rough collie blue merle bitch imported from Italy whom I believe was attending her first UK show. She makes a very striking picture, beautiful one piece head, charming expression and her outline flows, of excellent colour and was very beautifully groomed, very sound up and down and going around. She could have gone with a little more determination in the final run off

Andrew Brace – BOG4
